

DOES YOUR RESEARCH REQUIRE REVIEW BY THE ICTS SCIENTIFIC REVIEW COMMITTEE?

Please answer the following set of questions to determine if your study requires review by the ICTS SRC.

If the Lead Investigator or the Faculty Sponsor is a faculty member in the College of Health Sciences:

1. Is this research study supported by a federal award (e.g., grant or contract)?

NO ↓

YES ⇒ Do not submit to SRC

2. Has this research study already received scientific peer review by an external agency (e.g., FDA)?

NO ↓

YES ⇒ Do not submit to SRC

***If you answered NO to #1 and #2,
please submit for ICTS SRC review.***

If the Lead Investigator or the Faculty Sponsor is not a faculty member in the College of Health Sciences:

3. Will the research be performed at UCI Medical Center, or at a location affiliated with the College of Health Sciences?

YES ↓

NO ⇒ Do not submit to SRC

4. Are you requesting resources from the Institute for Clinical and Translational Science?

YES ↓

NO ⇒ Do not submit to SRC

***If you answered YES to either #3 or #4,
please submit for ICTS SRC review.***

NOTE: Effective January 2009, ICTS SRC review is required before IRB review. The IRB will not review your submission until the SRC review has taken place.

Please submit all required forms, documents, and information to the ICTS SRC by e-mail to SRC Administrator. Also, contact the SRC Administrator if you have questions about the SRC submission procedures and/or the review process.
